SPACIOUS FAMILY HOME WITH A FOCUS ON ENTERTAINING!

Deceptive at first glance, this home appears seemingly modest from the street but offers an enormous amount of living accommodation with a distinct focus on inside/out living.

The spacious level 741m2 allotment is easy-care and wraps around the entire home, making this an ideal block for families who relish in spending time outdoors with extended family and friends.

Light-filled throughout, the entire home presents with neutral colour choices and modern finishes ensuring broad appeal in the market -this really is a home to simply unpack and move in to.
