PANORAMIC VIEWS AND PRIVACY

52 Kunama Close is a stunning property from start to finish. It features a seamless blend of character and stylish contemporary ideas. With extensive renovations completed over the last few years the original 1980ss dwelling has been transformed into a fully renovated, stylish 4 bedroom home with carefully considered finishes inside and out.

Bathed in all day sun and impeccably presented, the home features light-filled open living, cathedral ceilings, 180 degree panoramic windows, expansive outdoor entertaining areas, exposed timber beams and a stunning gourmet kitchen fitted with quality stainless steel appliances and stone bench tops.

Each of the spacious bedrooms features built-in robes, the master with walk-in robe, parents retreat, en-suite and private spa room. The massive downstairs rumpus has direct internal access to the garage and would be easily converted to a 5th bedroom, teenage retreat or
