

33 Diamond Drive BLACKMANS BAY, TAS

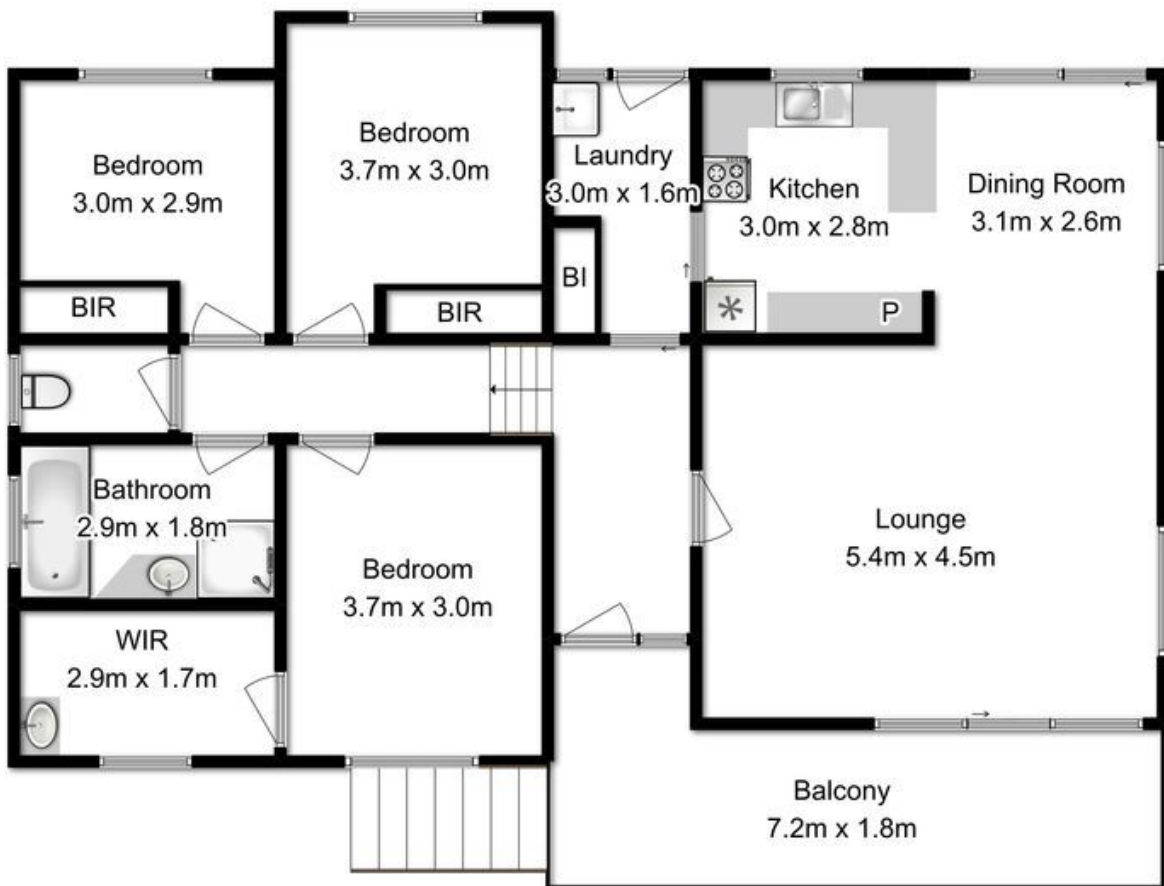

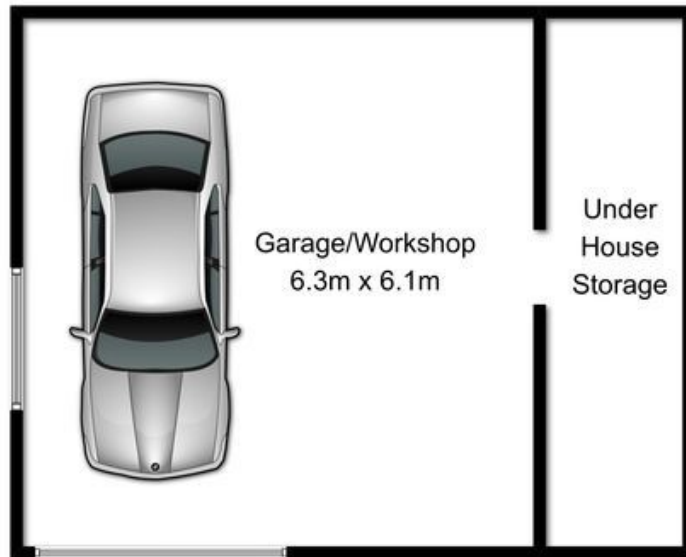

VALUE VIEWS

What a fantastic opportunity awaits those wanting to stamp their own style on this generous 3 bedroom home. Situated in a terrific street, walking distance to Blackmans Bay shopping centre, doctors, childcare and schools, this comfortable split level home offers a wonderful lifestyle for first home buyers, downsizers, or astute investors.

Perhaps the greatest advantage of this lovely property is the large garage underneath. Big enough for a large vehicle, it also houses a great workshop area or space for trailer parking, plus the added bonus of loads of easily accessible under house storage.
