SOLD

Built as War Service home in 1968 this terrific little house in an absolutely peaceful location is a rare find indeed!

Surrounded by established trees and enjoying water-views from the living room you will be surprised at the private, quiet nestled in location of this home. Just reverse your vehicle down the drive (if the current owner who is in her 70s can do it with ease YOU can so we dont want to hear any of that the driveway is a bit steep nonsense!) and you are HOME!

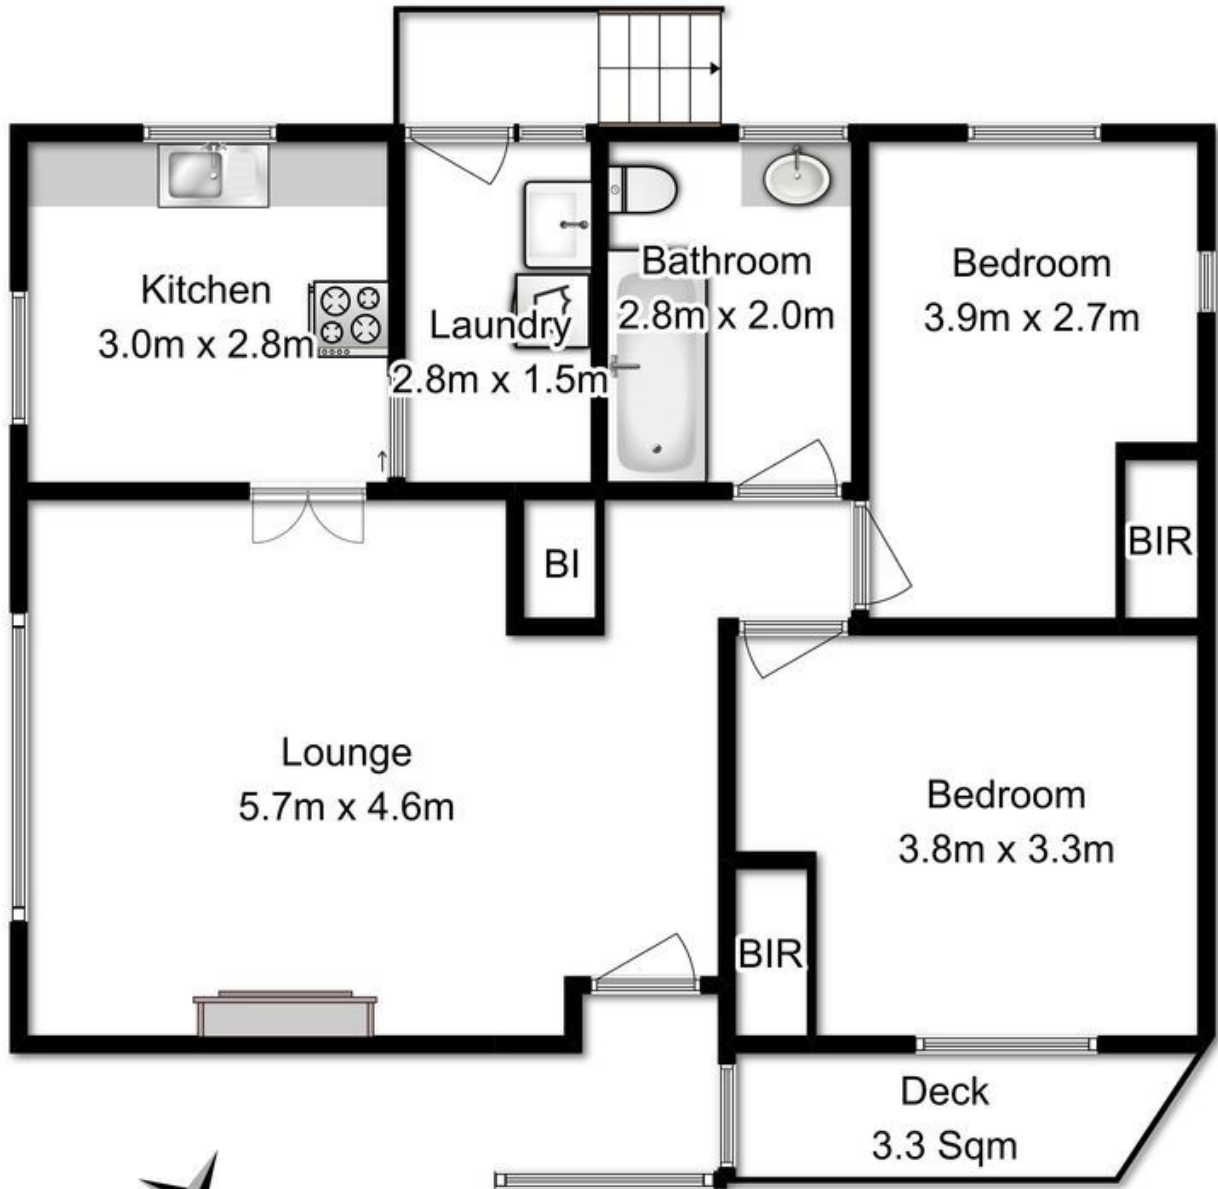

Proximity to shops, services, transport and schools is all excellent and it is mere moments from the city the back way.
