WELL-PRESENTED LOW MAINTENANCE 2 BEDROOM UNIT WITH VIEWS

A terrific unit offered for the first time in over 15 years that offers excellent sunshine and is located one of the area's most sought streets.

The original builder in constructing the property ensured one important feature was present in the unit and that is storage in all areas of the property.

From the entry you are taken straight into the sunny living area which offers terrific river views and a Daikin Inverter to keep you warm and cool.

The kitchen adjoins the living space and offers generous cupboard & bench space.
