PREPARE TO BE MESMERISED

Located in one of Southern Tasmania's most desirable suburbs, this beautiful home has been inspired by the Japanese Haiku house and has so much to offer. Built in the early 90's, with loving owners for the past 25 years, this home will take the stress out of the buying process with nothing else to do but move straight in.

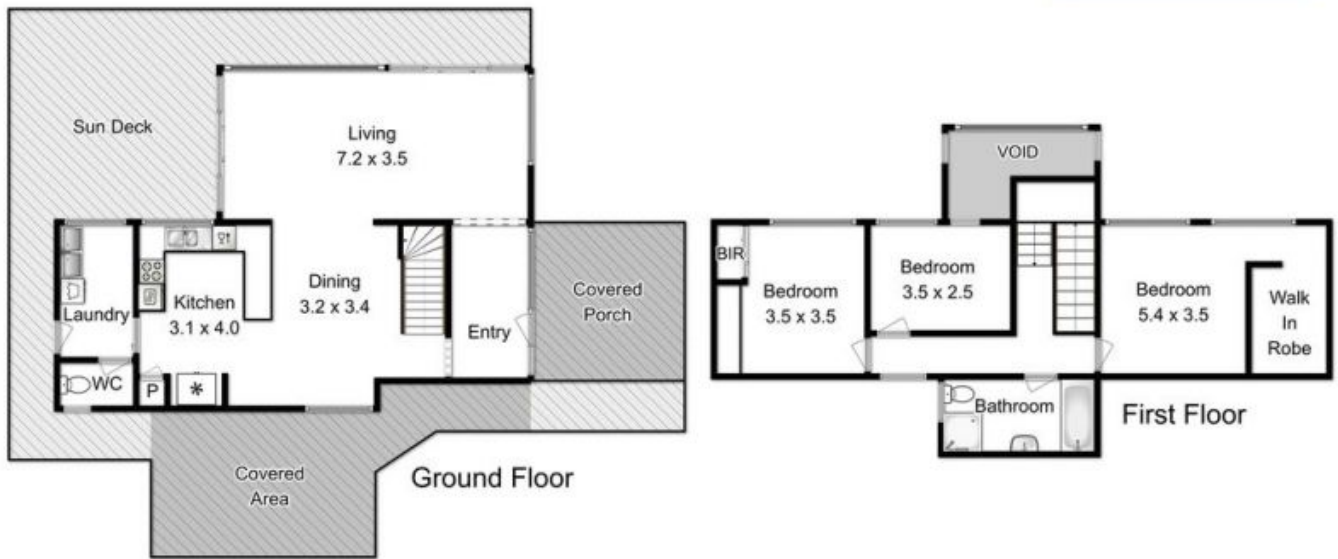

The entry level offers a myriad of layout options for dining, lounge and entertaining all serviced by the timber kitchen including great cupboard space, plenty of bench area and did we mention the views.
