OPTIONS IN A QUIET HIGHLY SOUGHT LOCATION

A very well located home in a well established subdivision in a quiet cul-de-sac. This is a superb sunny family home in an elevated position with outstanding expansive northerly aspect and water views.

The home is constructed of brick and tile in 1990 with good level access and ample onsite parking. The home offers a neutral palette throughout and accommodation consisting of 3 bedrooms with built-in robes, 2 living areas, separate dining, a two-way bathroom with spa bath and separate shower.

A lovely quaint courtyard is ideal for entertaining a small party or a larger gathering that could spill on the verdant garden encompassing the large purpose built entertaining deck with LED lighting. The house is fully fenced with a level grass area ideal for young chi
