Lovely home and garden in a cul de sac location

A fabulous 1960s home offering a beautiful established garden with established plants and also your own edible garden.

You enter the home from the wide entry and you are taken into a spacious living area which offers original timber skirting boards, window surrounds and gas heater.

Flowing from the lounge area is a sunny kitchen dining area which looks into the back garden area and offers space for your dining table whilst the kitchen offers plenty of bench and cupboard space for the family chef to create meals in.

All three bedrooms are excellent size and the main bedroom offers a full wall of built in robes with hanging and shelves.

The bathroom has been renovated in recent times with floor to ceiling tiling, separate shower and vanity.

From the kitchen you are taken into the laundry area which provides access to the rear garden which offers established fruit trees, vegetable garden areas ready for you to plant ou
